Advice to American peace delegates from private agents in Vienna indicate a threatening state of affairs. One agent just arrived from Vienna reports the date has been fixed for sometime in April for transformation of the existing government into a soviet government which will co-operate or merge with the Hungarian soviet government.

NEW HIGH RECORDS ESTABLISHED WITH THE LEADING DIVIDE STOCKS

Divide stocks reacted promptly this morning from the slight depression of the previous day and several new high records were made. The leader soared to \$9.00 where it stopped for the day while Divide Extension sold up to 79 from 52, the closing quotation of the preceding day. The confidence in this security is due to the report that the company has cut the ledge from the Tonopah Divide in its shaft and that values were satisfactory. Brougher found free orders at \$1.00 and Zone sold up to 71 notwithstanding slanderous reports sent out to San Francisco papers knocking the company. Total transactions were \$43,600 shares with the following totals for the chief divide stocks:

Company	Shares
Tonopah Divide	3,500
Hasbrouck	52,000
Divide Extension	46,000
